## Regional Oil Spill Forum 2010 – Exploring Solutions for Community Recovery

The Florida Planning and Zoning Association (FPZA) State Board has invited a professional panel to discuss the recent Oil Spill disaster and potential solutions to provide relief and recovery to the coastal communities in Florida. The event will include a presentation and panel discussion including several keynote speakers involved in the response to the Gulf Coast Oil Spill, a tour of the Hillsborough County Emergency Operations Center (EOC), and lunch. This group of experts completes a panel capable of thoroughly addressing this topic and its impacts to Florida communities from a variety of perspectives.

*Our distinguished moderator and panelists include:*

**MODERATOR:**

- *James N. Marino, P.E., D.CE, Chief Operating Officer/Director of Engineering, Coastal Tech*

**PANELISTS:**

- *Jerry Smith, President Elect of Florida Emergency Preparedness Association*
- *Donald Kunish, Planning Section Chief for State Emergency Operations Center*
- *Larry Gispert, Emergency Management Director for Hillsborough County*
