AGRIBUSINESS FARM TOURS

Agribusiness is a critical regional industry in Northeast Florida. This is the business of agricultural production including crop production, seed supply, agrichemicals, farm machinery, distribution, marketing and retail sales. The First Coast Chapter of FPZA and the First Coast Section of APA join together to host this year's education seminar to explore some of our regional farms.

**Special Host: David Dinkins, University of Florida/IFAS
Multi-County Agricultural Sustainability Extension Agent**

**WELLS BROTHERS FARM, West St. Augustine
BARNES FARM, North Hastings
